We would like to thank you for your past loyalty to the Friends of Pinchot State Park. We are proud of what we have accomplished and could not have done it without you! Here are a few highlights from the past year:

- In the campground, we have implemented firewood sales as a convenience for campers, as well as, an ongoing fundraiser for the Friends.
- We have restored old field meadows by removing the overgrowth of cedars. It is our hope that this restored habitat will benefit the wildlife and protect rare plant species.
- We have designed and published our quarterly newsletter *The Pinchot Eagle* and developed an online web presence.

A few things we have planned for the 2010-2011 year include:

- Ice sales in the campground.
- Maintain and improve wildlife structures.
- Staffing of the nature center on summer weekends.
- Environmental enhancements throughout the park.

To keep up the good work, your continued support is needed. Please renew your membership today! If you would like to help the organization achieve even more, consider renewing at a higher level or make an additional contribution with your membership.

Thank you again, we very much appreciate your support! If you have any questions or concerns, please contact us and we will be happy to assist you.

Sincerely,

*James Merlino*
