

## 125 YEARS OF STEWARDSHIP IS HARDLY TRIVIAL

*But it doesn't mean we can't have some fun!*

### STATE PARKS BY THE NUMBERS

1. How many state parks does Pennsylvania boast?
2. What is the smallest state park?
3. Which attraction is more plentiful in Pennsylvania state parks—camp sites or miles of non-motorized trails?

*See answers on reverse!*

More ways to take part in the celebration can be found on the Pennsylvania Parks and Forests Foundation website at [PAParksandForests.org/Get-Involved/125-Years-ParksandForests](http://PAParksandForests.org/Get-Involved/125-Years-ParksandForests)

1. I21—the oldest being Mont Alto State Park and the newest Washington Crossing Historic Park.
2. Sand Bridge State Park in Union County, at three acres. Perfect for a quiet picnic!
3. There are more camp sites (6,500 v. 1,470). But if you add in state forest trail miles (4,088) you'll find nearly one mile for every camp site.
