MY DCNR RANGER A LEARNING ADVENTURE!
Ever since I was a little girl, the book *Flat Stanley* by Jeff Brown has been one of my favorites. As the story goes, Stanley finds a life of adventure after waking one morning and finding himself flattened by a big bulletin board.

In the spirit of “Flat Stanley,” I present to you “My DCNR Ranger.” In its pages you will learn about the work of a Pennsylvania State Park and Forest Ranger.

Pick one of the rangers to color, give him or her a name, and take them on some adventures exploring Pennsylvania state parks and forests. Have fun!

Happy Exploring!

Marcy Mowery
President
Pennsylvania Parks & Forests Foundation

#WorldRangerDay

The initial release of this book corresponds with World Ranger Day, celebrated around the world on July 31st each year on the anniversary of the founding of The International Ranger Federation (IRF), an organization that supports the work of rangers as the key protectors of parks and conservation. World Ranger Day will also remembers those rangers who have been injured or killed in the line of duty while protecting national and state parks.

My DCNR Ranger was produced with assistance from the Pennsylvania Department of Conservation and Natural Resources, Bureau of Recreation, and Conservation’s Community Conservation Partnership Program; and through the generous support of donors & members.

Ranger drawings credit: Marina Salvatore
SO WHAT DOES MY RANGER DO?

Your Ranger is someone who is entrusted with protecting and preserving parks and forests. A Ranger patrols the parks and forests by vehicle, bike, boat, ATV, and foot. He/She is a law enforcement officer who works to keep you and our natural resources safe. A ranger is just one of many people needed to keep our parks and forests running smoothly. Below are some of the other jobs titles.

Circle ones that you would like to explore.

<table>

Rangers share information by providing directions and answering questions about state parks and forests facilities, plants and animals, environmental features, and the history of the park or forest.
Rangers help you if you have an accident, get lost, or need assistance. They must be trained in CPR and First Aid, as well as search and rescue.
Rangers give educational presentations about a variety of topics. They also explain park and forest rules and regulations.
Rangers can often be found patrolling within the state parks or forests boundaries by foot, vehicle, bike, or boat. When you are on the water, remember to always practice water safety and wear your life vest!
Rangers are there to help. If you see a problem or if something is wrong, wave a Ranger down. They will help!
Rangers patrol within the state parks and forests boundaries checking the trails, overlooks, grounds, buildings, and waterways for safety hazards and cleanliness.
Always have the following with you when enjoying a day outside:

- Map
- Snack
- Day or Back Pack
- First Aid Kit
- Hat
- Water
- Whistle
- Sunscreen
- Adult Outdoor Clothing (suitable to the weather)

What other items would you pack?
What parks have you been to? Check them!
Which ones do you want to explore? Circle them!
What forests have you been to? Check them!
Which ones do you want to explore? Circle them!
**GET OUT AND EXPLORE**

There are so many things to do outside!

What have you done in the list below? What would you like to do?

Visit one of our many state parks or forests and try something new. For a list of parks and forests offering these activities log on to www.dcnr.pa.gov/Recreation/WhatToDo

Circle the ones you want to try!

- **Backpacking**
- **Bicycling**
- **Bird & Wildlife Watching**
- **Camping**
- **Canoeing**
- **Cross Country Skiing**
- **Downhill Skiing**

MY RANGER ADVENTURE 1

I took my ranger to ____________________________________
(park or forest, educational program, etc.)

Our adventure included ____________________________________
(hiking, camping, fishing, etc.)

We learned ____________________________________________

_________________________________________________________________

_________________________________________________________________

_________________________________________________________________

Draw It!

Did You Know? YOUR RANGER MUST BE PHYSICALLY FIT AND INTELLIGENT. EACH RANGER MUST PASS A SIX MONTH LONG COURSE WHERE THEY ARE TESTED ON THEIR KNOWLEDGE OF THE LAW AND ARE REQUIRED TO PASS AGILITY TESTS WITH MANY OBSTACLES.
I took my ranger to ________________________________________
(park or forest, educational program, etc.)

Our adventure included ______________________________________
(hiking, camping, fishing, etc.)

We learned ________________________________________________

__________________________________________________________

__________________________________________________________

Draw It!

PENNSYLVANIA HAS 121 STATE PARKS AND OVER 2.2 MILLION ACRES OF STATE FOREST.
How many other words can you spell using the letters from:

PARK AND FOREST RANGER

---

YOUR RANGER MUST BE KNOWLEDGABLE IN MANY DIFFERENT FIELDS. NATURAL AND ENVIRONMENTAL SCIENCES, RESOURCE AND PARK MANAGEMENT, OUTDOOR RECREATION, FORESTRY, ENVIRONMENTAL EDUCATION, ECOLOGY, AND WILDLIFE MANAGEMENT ARE JUST A FEW TOPICS RANGERS MUST KNOW ABOUT.
Once upon a time my ranger and I went on a _______ to the _______. He/she was wearing a _______ and special _______ because it had been a very rainy day. I was excited because it was just the two of us and it was going to be a _______ adventure.

We hiked for _______ hours up a mountain. Along the way we saw _______, _______, and _______. When we reached the peak the view was _______. After eating our _______, we decided to hike back to the car. Half way down a little girl had fallen and scraped her _______. She was hurt and crying but My Ranger was prepared! He/she had a first aid kit full of band aids, gauze, and _______.

After helping the little girl we continued our _______. We came upon a _______ wondering what a plant was. I had no idea, but My Ranger knew exactly what it was! He/she explained all about it, even what kind of _______ like to eat it.

We were almost back to the car when we saw two _______. It was amazing watching them _______ around!

My Ranger and I had such a _______ time, I can’t wait to go on another _______ adventure! Next time we are going to go to _______ and explore the _______.

Grab a friend or family member.
Ask them for the blank part of the sentence and fill in the blanks.
When you are in nature—a park, a forest, or your own backyard—look! Up, down, and around—there is so much to discover! Put an “x” in the box when you see that item. Use the free spaces to write in something cool that’s not listed.

Complete a row up, down, or diagonally and you have Bingo!

Remember—LOOK WITH YOUR EYES ONLY

Practice the following skills to be a caretaker of our great outdoors:

✔ **Observe wildlife from a distance.**

✔ **Look with your eyes.**

✔ **Tread lightly and stay on trails.**

✔ **Leave no trash behind.**

✔ **Don’t bring firewood from home. You might be moving invasive insects.**

✔ **Gather only firewood that is on the ground and no bigger than an adult’s wrist.**

✔ **Make sure campfires are completely out and cold to the touch.**

✔ **Pick up all spilled food—it discourages wildlife from becoming pests.**

✔ **Use your “indoor voice” even though you are outdoors.**
I, ____________________, pledge to always help DCNR rangers.
I pledge to follow all park and forest rules.
I promise to clean up after myself and practice good campfire safety.
I promise to respect wildlife, plants, and trees.

Signed: _____________________________________________

Date: ______________________________________________

Witness: ____________________________________________

Thank you for taking the pledge! To learn more about how you can help your state parks and forests, sit with your parents and explore our website PAParkAndForests.org.
On it you will find ways to volunteer, a calendar of events, learn about our photo contest, and more!

The Pennsylvania Parks and Forests Foundation is a non-profit organization, whose mission is to inspire stewardship of Pennsylvania’s state parks and forests through public engagement in volunteerism, education and recreation.
Our vision is to build the voice for Pennsylvania’s state parks and forests.
I completed my book. Here is one thing I learned:

__________________________________________________________________________

I visited ________ parks and/or ________ forests.

My favorite park or forest was:

__________________________________________________________________________

My favorite outdoor activity is

__________________________________________________________________________

I took the pledge on Pg. 21 ____YES!

__________________________________________________________________________

Send or email completed form along with a photo with your ranger, and you if your parents are OK with it, to:

Pennsylvania Parks and Forests Foundation
