Near Bridgeville, PA

- **Allegheny Islands State Park**— Located in the Allegheny River, these islands are only accessible by boat.
- **Clear Creek State Forest** – Take a scenic drive and stop by the Beartown Rocks vista overlooking the Allegheny Plateau.
- **Forbes State Forest** – Offers roads and trails open for horseback riding, mountain biking, and snowmobiling.
- **Gallitzin State Forest** – Open to hunting, fishing, biking, horseback riding, and camping.
- **Hillman State Park** – Visit the remote-controlled model airplane field.
- **Jennings Environmental Education Center** – The center holds community programs to educate families about stewardship in the outdoors, and also has hiking and picnicking areas.
- **Keystone State Park** – Featuring a sand beach, this park is great for swimming, biking, and camping.
- **Kooser State Park** – The CCC established the lake and day use areas of the park, open today for picnics, fishing, and camping. In the winter, the trails are great for cross-country skiing.
- **Laurel Hill State Park** – Follow the Pumphouse Trail 1.6 miles to the Jones Mill Run Dam, or visit the Hemlock Trail Natural Area.
- **Laurel Ridge State Park** – Go overnight backpacking along the 70-mile Laurel Highlands Hiking Trail.
- **Laurel Summit State Park** – This small park is primarily a picnic area. Follow the Bog Trail to the Bruce Flats Bog.
- **Linn Run State Park** – Go trout fishing in Linn Run, then eat lunch near Adams Falls.
- **Maurice K. Goddard State Park** – Popular for the 1,680-acre Lake Wilhem, the park is open year round for fishing and boating.
- **McConnell's Mill State Park** – Visit the old working gristmill, or go white water boating in the streams created by glacial runoff.
- **Moraine State Park** – This park is popular year round, offering a variety of activities in every season.
- **Ohiopyle State Park** – Ohiopyle has beautiful vistas, great white water rafting, rock climbing, and biking opportunities.
- **Point State Park** – Located in the heart of Pittsburgh, visit the Fort Pitt Museum and Fort Pitt Blockhouse.
- **Raccoon Creek State Park** – The 101-acre Raccoon Lake boasts a sandy beach, boat rental, and camping.
- **Ryerson Station State Park** – Do some rustic camping, or attend an educational program in the amphitheater.
- **Yellow Creek State Park** – Educational and recreational programs are held during the summer. Stop by the wind turbine to learn about the effectiveness of wind energy.

Volunteer Opportunities

Volunteer

Volunteers - they're the lifeblood of our parks and forests. The Pennsylvania Parks and Forests Foundation offers a wide variety of opportunities to put a volunteer's special skills to work. Whether you're a trail-builder, a wildlife expert, an event organizer or one of those special people who always say, "Just put me to work wherever you need me," Pennsylvania's state parks and forests have a role for you.

Foundation Volunteers

Volunteers are welcome to assist with mailings, events, photography, videography, media editing, and more.

Volunteer in State Parks and Forests with Friends Groups

Friends Groups are local groups who volunteer their time, services and support to enhance our state park and forest systems.

What Do Friends Groups Do?

They work in partnership with the park to:

- Raise money for park playgrounds, equipment, and material
- Organize annual park cleanups and regular trail work days
- Plan and execute special events including craft shows, concerts and festivals
- Construct park and forest amenities like trails, visitor centers and gift shops
- Serve as campground hosts, visitor center hosts, and docents
- Create awareness about the value of their state park or forest

Western Pennsylvania Friends Groups

- Friends of Laurel Hill State Park
- Friends of Linn Run State Park
- Friends of M.K. Goddard State Park
- Friends of Ohiopyle State Park
- Friends of Ryerson Station State Park
- Friends of Yellow Creek State Park

Conservation Volunteers

Volunteer opportunities in state parks and forests are also available through the Department of Conservation and Natural Resources.
